Our Commitment

We are committed to families. We are privileged to serve God's creation, the family. We are committed to assisting parents in training their children in godly paths; maintaining a safe and secure environment for them; and challenging them in the Word of God and in the knowledge of the world He has made.

We are committed to churches. We affirm the mission of Bible-believing churches to disciple people for Christ. We support local churches by encouraging loyalty to their ministries and by emphasizing the value of a life spent in the gospel ministry in all of its facets.

We are committed to our students. As our brothers and sisters in Christ, we are bound by love to watch for their souls; to train them in truth and righteousness; to protect and prepare them; to show them the way of salvation in Jesus Christ; to convey a biblically-based and quality education; to demonstrate correctly and attractively the Christian life in our words and actions; and to imitate the love of God in our relationships with them.

We are committed to our faculty, the men and women who serve at Chestertown Christian Academy. We are committed to providing an environment that allows them to minister freely and effectively; encouraging and honoring excellence in the classroom; and supporting their work with materials and training that will assist them in their efforts to strengthen their ministries.

We are committed to our alumni. Chestertown Christian School owes a great debt to its past graduates, and we are committed to making their school one they can claim with pride. To this end, we pledge to hold fast the principles and heritage that have made this school what it is, while at the same time refusing to remain idle in the pursuit of excellence.

We are committed to our community. As long as we are in the world, our name will be associated with honesty and integrity in our fiscal performance, concern for and submission to civil authority, and educating citizens who will make positive contributions to society in their role as the "salt of the earth." We will strive to present a testimony that will not shame the Christian community.
